

TFS Energy Earns 14 Broker Awards in *Environmental Finance's* Market Survey  
-- Readers Vote TFS Energy in the Most Categories in Market Survey History

NEW YORK, February 7, 2008 – TFS Energy, a leading interdealer broker and subsidiary of Compagnie Financière Tradition, today announced its results in *Environmental Finance* magazine's eighth annual market survey of the leading brokers, dealers, and advisors in emissions allowances, weather derivatives and renewable energy certificates.

"With a total of 14 awards in this year's broker rankings, we are honored that our services in the environmental markets are being widely recognized," commented David Jenkins, Director, European Energy. "This is the highest number of *Environmental Finance* awards we have ever won, and we couldn't have achieved such accolades without the support of our clients and the services our employees provide across the entire spectrum of the environmental markets."

TFS Energy was recognized in 14 categories, including 'Best Broker' in eight categories. The full list of awards is as follows:

- Best Broker - EU Emissions Trading Scheme
- Best Broker - NOx
- Best Broker - New South Wales GHG Abatement Scheme
- Best Broker - Weather Risk Management - North America
- Best Broker - Weather Risk Management - Europe
- Best Broker - Weather Risk Management Asia
- Best Broker - Renewable Energy Certificates UK
- Best Broker - Renewable Energy Certificates Australia
- Runner up - SO2
- Runner up - Kyoto Projects (JI and CDM)
- Runner up - North American Markets
- Joint runner up - NOx (Reclaim)
- Runner up - Emission Reduction Credits
- Runner up - Renewable Energy Certificates North America
